## Classification

### Reference

This classification has been carried out in accordance with clause 7.5.5 of EN 13501-2:2023.

### Classification

The product is classified according to the following combinations of performance and classes as appropriate.

**Fire resistance classification:** EI<sub>1</sub> 30 - C\*  
**Fire resistance classification:** EI<sub>2</sub> 60 - C\*

The classification is valid for fire resistance from either side.

\* Dependent on the use of door hardware, the door may be classified with or without the self-closing classification C.
